[PROPOSED] ORDER

Before the Court is the parties' joint motion to modify the initial case management order (Doc. No. 27) and proposed Amended Case Management Order. The proposed deadlines do not require a change in the dispositive motion and trial dates and allow the parties to conduct necessary discovery.

The Court grants the parties' joint motion to modify the initial case management order and ORDERS that the proposed Amended Case Management Order be filed into the record.

It is so ORDERED.

United States Magistrate Judge
